WARNER WELCOMING STATEMENT

All people are of sacred worth and God loves everyone without exception. We welcome all people into our worship, fellowship, membership, and leadership. Believers, seekers, and doubters are all welcome at Warner. We are an affirming and supportive spiritual community that celebrates God's infinite love, wisdom, and grace through worship, music, education, mission, and fellowship. Though we are all unique, we are united in loving and praising God and in loving each other. We are committed to communing together in such a way that we give witness to Christ's sacrificial life, redeeming death, and glorious resurrection. Loved and accepted by God, our congregation offers love and acceptance to all.

FROM THE PASTOR

Dear members and friends,

“How to Succeed in Business Without Really Trying,” is a great musical that has been around for several decades. How to succeed in matters of church business does not come without really trying. I am quite thankful that Warner has many very competent and dedicated volunteers that try real hard to make sure our business aspects of church life succeed. Let me give a few updates about several Warner business projects.

We expect the sale of the grassy lot at 3905 Prospect Street to go through toward the end of September. The proceeds we receive from this sale will help us pay down our construction loan that enabled the building of the elevator tower and several other renovation projects. It will also help us pay for a new curb cut for overflow parking for the remaining part of our grassy lot. We count on Warner members and friends to complete their capital fund pledge giving by the end of 2015, which is anticipated to enable us to pay off our loan by the end of this year (saving twelve years of interest payments).

The refurbishment work done following the flood the church building suffered in the spring is complete except for the installation of the wood flooring for the chancel in the sanctuary. We expect the materials for the installation to arrive soon and look forward to that completed work. The vast majority of the work was covered by our good insurance coverage.

Warner’s Session has established a team called the Bequests and Undesignated Giving (B.U.G.) Team to examine the financial resources we have in special gifts to formulate a recommendation to the Session about how those funds would be used for a variety of purposes. Our regular church budget cannot address all of the needs of our physical plant or of creative initiatives that are needed. We became aware recently that the in-floor heating system on our ground floor (that was part of the original construction of this facility 60 years ago) is no longer functional. So the Session has taken the first step to address that concern, authorizing about \$15,000 to get started on meeting this need. More funds will be needed, which will diminish the funds that B.U.G. is counting on for their planning recommendation. I will keep you updated on those ‘cold’ hard facts.

There are no real shortcuts in how to succeed in matters of church business without really trying. What we do have are dedicated volunteers that have been working very hard, and we are seeing the benefits of all of that giving of time, effort and money that are required for the success of Warner’s overall ministry.

There are many who deserve a standing ovation!

CHRISTIAN EDUCATION

WARNER'S FALL CHURCH SCHOOL SCHEDULE STARTS WITH RALLY DAY

On September 13, Sunday Morning Church School Classes and Choirs for All Ages begin our Fall Schedule:

- **9:30 AM** Church School for Adults and Children, ages 4-5th grade, Youth Choir, for youth in grades 6th-12th
- **10:00 AM** Church School for Youth and Children's Choir
- **10:30 AM** Adult Choir
- **11:00 AM** Worship

SOMETHING OLD, SOMETHING NEW

Adult and Youth Church School classes will continue using “Feasting on the Word” Curriculum. The Scripture Lesson for the morning is Mark: 7:24-37. The adult session focuses on human tendencies to erect barriers and how Jesus lifts a model of mercy that breaks down walls that separate us from one another. The youth will explore the good news extended to outsiders and find inspiration for reaching across boundaries. The Children's Class will use the new “Growing in Grace and Gratitude” curriculum. They will celebrate the grace in God's good creation and explore what it means to be created in God's image: Genesis 1:27.

FALL MOVIE NIGHT

As a follow-up to the “Teaching Tolerance” Sunday School series offered last June, the Christian Education Commission will host a showing of the movie “Selma” on Sunday evening, **September 13 at 7:00 p.m.** in the Common Room. The movie chronicles Martin Luther King's campaign to secure equal voting rights via a march from Selma to Montgomery, Alabama in 1965. Child care is available upon request.

UPCOMING YOUTH ACTIVITY

Youth, in grades 6 through 12 are invited to a “Faith in Action” activity. On the morning of **Wednesday, September 23**, we will be going down to D.C. Central Kitchen to help prepare meals. We will meet at the Forest Glen Metro at 8:00 a.m., and return to Forest Glen Metro around 1:00 p.m.. Come join the team that provides 5,000 free meals each day to nearby homeless shelters, transitional homes, and schools.

LIBRARY COMMITTEE

LOOKING TOWARD NEW DIRECTION

The Library Committee has recently begun meeting again, and the members (Jan Moody, chair; Susan Fulton, Marie Rosché, Janet Tennent, Donna McNeil & JoEllen LaPrade) have been pondering what direction to take, to make the library useful for the Warner community.

An article from the Library Committee should probably showcase some books: Because former President Jimmy Carter has been in the news recently with his health concerns, I chose two books written by him that are in the library: [Our Endangered Values: America's Moral Crisis](#) (2005) and [Palestine: Peace Not Apartheid](#) (2006). Here are portions of the summaries of these books, from Amazon.com:

“In [Our Endangered Values](#), Jimmy Carter describes personally his own involvement and reactions to some disturbing societal trends that have taken place during the past few years. These changes involve both the religious and the political worlds as they have increasingly become intertwined, and include some of the most crucial and controversial issues of the day - frequently encapsulated under 'moral values'.”

From the Amazon review of [Palestine: Peace, Not Apartheid](#):

“... [T]he former president, winner of the Nobel Peace Prize, offers an assessment of what must be done to bring permanent peace to Israel with dignity and justice to Palestine.

“President Carter, who was able to negotiate peace between Israel and Egypt, has remained deeply involved in Middle East affairs since leaving the White House...”

Now, I'd like to set the spotlight on a book that is not only brand new in our library, but is about to be released as a movie: [The Martian](#), by Andy Weir. We will all have the opportunity to talk about it together in this year's first **Book Talk** session, which will take place in the library after worship on **Sunday, October 11th**.

(From Amazon) “Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive—and even if he could get word out, his supplies would be gone long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The damaged machinery, unforgiving environment, or plain-old "human error" are much more likely to kill him first.

“But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills—and a relentless, dogged refusal to quit—he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?”

Does this sound like science fiction? It is. Does it seem like an odd choice for a church library? Maybe, but there's more than dry science here... do you remember the movie *Apollo 13*?

I think the teaser trailer for *The Martian* says it best: “Every human being has a basic instinct; to help each other out.” This is science made very accessible, a vision of the future that could be “just around the corner for us,” according to NASA Director Jim Green. And it's fiction that we hope in our hearts could be true.

There are two copies of [The Martian](#) available in the library. It's a quick read (385 pages) because you will WANT TO KNOW what happens! The movie premieres on October 2nd. If you want to discuss this book, or the movie, or if you are simply curious about what the library committee is up to, please join us in the library after worship on October 11th.

–JoEllen LaPrade

WORSHIP & MUSIC

Fall is approaching, and that means it's time to start up another season with the Warner Choirs! Now is a great time to dust off the vocal cords or try on a pair of bell gloves! There are Warner Choir options for everyone, and we welcome your participation.

The Warner SANCTUARY CHOIR kicks off its first rehearsal with dessert on Thursday, September 3rd at 8 p.m. Regular rehearsals will be Thursdays from 8:15 to 9:30pm. The Sanctuary Choir is a mixed voice group for all singers from high school to infinity, and welcomes new singers of all voice types –as usual, we're especially eager to welcome new tenors and basses! No experience is necessary – just a desire to enjoy the company of some wonderful people while praising God with a song! The choir will provide music regularly for Sunday services. A major highlight will be a performance of Daniel Pinkham's *Christmas Cantata* for chorus, brass and organ, on Sunday, December 13th for the 11:00 a.m. worship service.

The WARNER BELLS will open its season at 7:00 p.m. on Thursday, September 10th with a one- hour rehearsal. Is it hard to learn the bells? Not at all! With just a bit of music fundamentals, you can be ringing like a pro in no time. We are eagerly searching for new players to keep our ensemble full and productive. The Bell Choir is ideal for all ages from middle school through adults – regular attendance at Thursday practices helps us to develop a beautiful sound, which we'll share with the congregation on a regular basis.

The Warner YOUTH CHOIR will again meet on Sunday mornings at 9:30 a.m. This is a group for all youth from grades 6 through 12, and we welcome back alumni to help us sing at holiday times! Again, no experience is necessary – just come and bring your voice! The first meeting will be on Rally Day, September 13th.

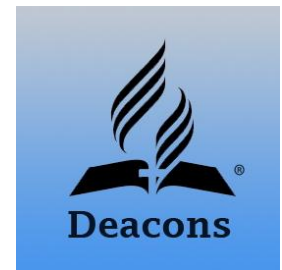

We'll also welcome the CHILDRENS' CHOIR on September 13th at 10:00 a.m. for its first fall rehearsal. All Warner children from upper pre-school through elementary ages are welcome to come and enjoy music activities that include singing, playing instruments and having lots of fun!

It's a great time to MAKE MUSIC AT WARNER! I hope to see a lot of new faces among the various choirs this year! Come and make music with us!

--Peter Smeallie, Director of Music

BOARD OF DEACONS

Greetings! The Board of Deacons hopes that all Warnerites had a happy and safe summer. Did you know that even through vacation time, the deacons still continued their duties of delivering flowers from the Sunday service and making visits to our homebound members? These visits continue to provide excellent opportunities to stay in touch with church members who are unable to get to Warner.

Upcoming September Activities.... School will be back in session, which means it is time for the Kensington Labor Day parade. Once again, the deacons will be assisting Mid-County United Ministries' (M.U.M.) booth at the parade. We will be staffing the booth and collecting groceries for their food pantry. Lists of needed nonperishable groceries can be picked up at the booth. We hope to see you there!

In addition, the Board of Deacons will also be hosting the **Warner Rally Day church picnic on Sunday, September 13th**. It will be held on the church patio immediately after the 11 a.m. service. Once again, the deacons will be providing the hamburgers, hot dogs, chips, beverages, etc. Members of the congregation are asked, if you are able, to bring the following:

Last name beginning with: **A-N Salads/Side dishes**

O-Z Desserts

Seating will be provided, but all are welcome to bring their own folding chairs and blankets to sit on. **MARK YOUR CALENDARS NOW and BRING A FRIEND!** It bodes to be a great way to end the summer and start the fall season. Stay tuned to the October **MEMO** for more news of Fall activities!

--Elizabeth Bunn, Moderator

Please support the **Warner Memorial Deacons' Fund**
by contributing on the first Sunday of each month.
You may use the special envelopes in the pew racks.
Thank you for helping our neighbors in need.

Every day of the month, you can help the **Mid-County United Ministries**
food pantry in Wheaton. How?

By bringing in cans and packages of non-perishable food
for our **hunger barrel** in the church narthex. **Thank you!**

HOSPITALITY COMMITTEE

Editorial note: The Warner Hospitality Committee has put together groups of people who may work together to provide food and drink for our congregation after our 11 a.m. worship services. The chart is posted outside the main office at Warner, and our group leaders will contact us to make plans. They have put together the following questions and answers as we look forward to beginning this new arrangement. If you have further questions or concerns, please contact Sue Burns. Thank you to all who have worked on the new plans, and who have so faithfully served us all with nourishment on Sundays.

frequently
asked
QUESTIONS

1. My name is not included as a Team Lead or a team member? Why not? How were the groups established?

We created the groups by considering those who attend regularly and were likely to participate in any way. If we missed you, and you are interested in being assigned to a group, please contact any member of the Outreach Commission and we would be thrilled to add you- there is no maximum number per group.

2. If I am a Group Lead and cannot serve on a Sunday assigned for my Group – how will coverage be arranged?

You will notice that there are two group leads and only one will be expected to oversee each Sunday. The first approach will be to check with your group lead partner and determine if he or she can fill in and you could then swap. If that is not possible, contact Sue Burns and she will reach out to other group leads to arrange a swap.

3. Is each Group expected to provide a “lunch” each Sunday?

The plan for food is left to the group lead and the group members. No group is expected to provide a full meal on any given Sunday. Providing a “Simple Sunday” selection of foods is always an option. Hot coffee, hot water for tea, something cold to drink along with cookies, fruit and or veggies would be an appropriate array of offerings.

4. Can I plan a Simple Sunday anytime, or just the third Sunday of the month?

Absolutely – any Sunday is fine.

5. Will I be expected, as a Group Lead, to purchase paper goods, coffee, flowers, etc.?

No, members of the Outreach Commission have done a stellar job of keeping plates, napkins, hot and cold cups, utensils, etc. in stock. There is a supply in the cabinets (located below where we typically

serve the coffee) next to the warming drawers in the social hall and an overflow stock in the closet next to the water fountain in the social hall.

6. Will I be expected to cook a dish each time my Group is scheduled?

Not necessarily, each person will contribute as able, and as inspired. There are lots of ways to help as we indicated in the letter sent out recently.

7. Will I be reimbursed for items I purchase or prepare for a Fellowship Hour?

Please confer with your group lead for guidance regarding this. Outreach allocates a certain amount of its budget for Fellowship and a modest amount is available to reimburse folks for items purchased. Again, please check with your group lead so you have a correct understanding before you purchase items.

8. Will I be expected to set up and break down tables and chairs?

Not always and NEVER if you are not able. There are those of us who enjoy the “Warner Sunday Workout”, but clearly many are not able or interested in this activity. In general, we have made arrangements for food tables and 3 tables w/ 8 chairs each to be left up late Saturday evening to facilitate set-up on Sunday AM. The break-down following Fellowship Hour has occurred thanks to volunteers each Sunday and we expect that to continue.

9. Why can't we just keep things the way they are; that process seems to be working just fine?

There are a multitude of reasons for trying this new approach:

- **Change alone is accompanied by a new energy – let's make it a positive energy**
- **Let's get more Warnerites involved in new ways**
- **Many hands make light labor**
- **Working together leads to new and enhanced friendships**
- **Etc...**

10. Can I help another Group even if I am not assigned that week?

Sure – I can't imagine a scenario where help would be turned down. Just contact the assigned group lead for the week.

11. I don't have email, how will I be notified or hear about “My Sunday”?

Group Leads will have the contact information for each of the members of his/her groups and will be aware of the best way to contact folks. By the way, contacting group members is one of the ways folks can help if not otherwise able to contribute.

12. Why can't we just have coffee and cookies each Sunday... that would be so much simpler?

Guess what??? We can... and we may – let's see how things progress and have faith in our ability to try out something new.

NOMINATING COMMITTEE

Hymns are very inspirational, especially when sung in our church with our great music support from choirs and organist. But sometimes we don't really have time to meditate on the words. As you are determining what you will be doing through Warner this year and how you might respond to a call from the Nominating Committee, please meditate on these words (5th verse) from the hymn "Lord, You Give the Great Commission."

"Lord, you bless with words assuring:
'I am with you to the end.'
Faith and hope and love restoring,
May we serve as you intend.
And, amid the cares that claim us,
Hold in mind eternity;
With the Spirit's gifts empower us
For the work of ministry."

Warner Presbyterian Church carries out many forms of ministry, all of them important and dear to our hearts. Carrying out our ministry is supported by the work of the Session and the Board of Deacons. Without these two groups, their leadership and guidance, many of the other ministries dear to our hearts would not be possible.

Please continue to pray for inspiration and discernment about how you will answer God's call this year. Please pray for the work of the Nominating Committee as we continue to hold each of you in prayer.

--Kay Gorman

HELP WANTED—VOLUNTEER OPPORTUNITIES!

Warner Memorial Church has openings for able-bodied folks to usher at worship services on Sunday throughout the fall and Advent. We're looking for individuals and couples to consider ushering for a month of Sundays -- or for specific Sundays. Please see the schedule, which is on the hallway bulletin board near the church office door. You may call the church or Kay Gorman for more information.

COMMUNITY – MISSION

OUR “TWO CENTS-A-MEAL” PROGRAM

--GOING STRONG !

Collected on the third Sunday of each month, Warner’s Two Cents-a-Meal project contributes to hunger relief nearby and, through Presbyterian programs, around the nation and the world community as well. The donations remain strong: in July, we collected \$264 (with the 40% discretionary portion going to the **Capital Area Food Bank**) and in August we counted \$297.50 (with 40% going to the **Farmers and Hunters Feeding the Hungry** program).

Thanks to all who donate. Your monthly contributions help many hungry people!

-- Ann Rakow

ENVIRONMENTAL STEWARDSHIP

As an active Presbyterian Church (USA) certified Earth Care Congregation, Warner Memorial Church is committed to conservation of natural resources – right here at our church property and in our daily lives in the community. In the coming weeks and months, we encourage all Warner members and friends to learn about and explore the growing field of alternative energy sources.

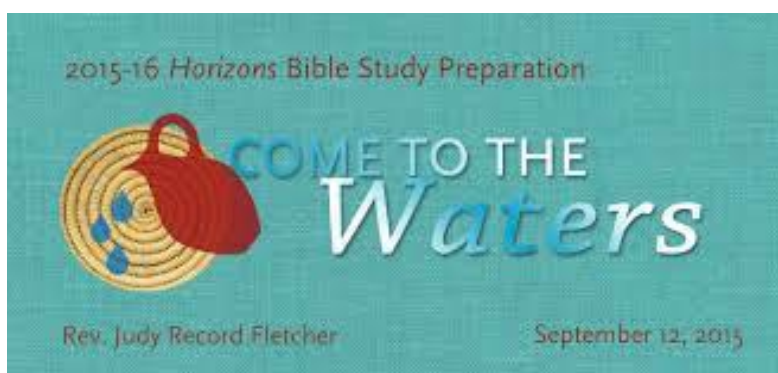

Meanwhile, it’s not too late to volunteer your hands and heart to helping in our Shepherd’s Garden (located on the property near the terrace and narthex entrance). This is a mission project of the Environmental Stewardship Team. EST needs your help in weeding and harvesting the fresh organically-grown vegetables for the hungry folks at the Shepherd’s Table program of Silver Spring. This work goes on until October. Contact June Eakin (301-384-3170) if you will be “on call” as a garden helper. Young people can earn SSL hours.

PRESBYTERIAN WOMEN

Memorial Day 2015 being the earliest possible date coupled with Labor Day 2015 being the latest possible date provided us with the longest Summer possible, yet it seemed to fly by just as swiftly as Summers past. Nonetheless, there is no rest for PW and we have worked steadily these past months to “keep the lights on” and plan for an exciting Fall 2015.

JOY CIRCLE BEGINS NEW “HORIZONS” BIBLE STUDY

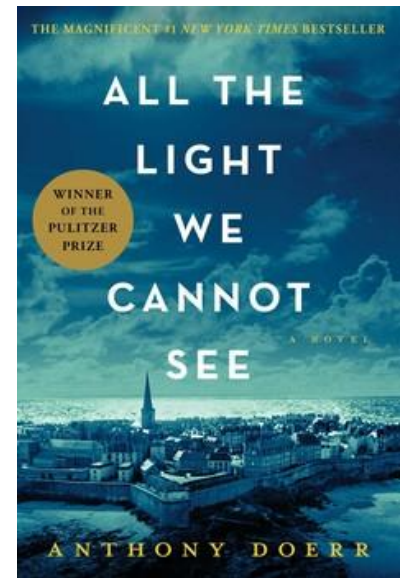

On Tuesday, September 8th, this group will begin its new Horizons Bible Study in September, **“Come to the Waters”** by Judy Record Fletcher. In this study, we will consider the waters of chaos in Genesis, and the River of Life in the last chapter of Revelation, where chaos is no more. Water plays a central role in the stories of creation, the delivery of God’s people (through the parting of the Red Sea and the crossing of the Jordan River), judgment of a people weak in faith, and the adoption of the people of God through baptism. Sometimes there is too much water (think Noah) and sometimes there is too little water (think drought in the desert). Together, we will explore some of the Bible’s 800 references to water. Study books are \$8 each. Please contact June Eakin, if you have not already done so and plan to buy a study book.

LOCAL PW MISSION SUPPORT NEEDED!

Just as a reminder to all, PW’s budget continues to be derived 100% from your donations. You can help Warner PW with its continued efforts to support local mission by donating directly or by ordering Equal Exchange coffee or other items offered. We would like to not only sustain but grow our local mission projects such as providing hygiene items to the women at Rainbow Place or donations to MUM or Courtney’s House.

BOOK GROUP: We have met, discussed, voted... and the book list for the Warner Women Book Group is set. A copy of the list and meeting schedule is posted on the Outreach Bulletin Board. We are always seeking readers and leaders for any, some, or all meetings, so please plan to join us. Lisa Smeallie continues as our inveterate coordinator and brain behind this effort. Please contact her if you have any questions. Our first meeting is scheduled for **Friday, September 25th at 7:30 PM. We will be gathering at Jan Moody's home for our first gathering of the season. Please contact Jan or Lisa closer to the date if you would like to bring a snack or beverage.** The book being

discussed that evening is, “*All the Light We Cannot See*”. “From the highly acclaimed, multiple award-winning Anthony Doerr, a stunningly ambitious and beautiful novel about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II.” We hope you can join us, and as in years past, don’t stay away just because you have not had a chance to read the book!!

EQUAL EXCHANGE/FAIR TRADE COFFEE

This summer we experimented with soliciting coffee orders via email in July. From JoEllen LaPrade’s and Sue Burns’ perspective this worked out swimmingly. We plan to repeat this approach in late September and interested Warnerites have asked us to include orders for tea as well. Look for information in the Warner Weekly and the Sunday bulletin soon regarding how to place orders. The coffee is delicious and it is great to have a well-stocked pantry. We include a slight mark-up as a way to support local PW mission. You may recall that we donated personal hygiene items for the women of Rainbow Place in late winter and this is an example of how these monies are used. Not a glamorous effort, but I can assure you it is much appreciated! Even with the mark-up, the coffee is still a great value, and delicious. Let us know if there are other Equal Exchange products you would like to order.

ANNUAL PW FALL GATHERING

Presbyterian Women of the National Capital Presbytery will hold the Annual Fall Gathering Women at Darnestown Presbyterian Church located at 15120 Turkey Foot Road Darnestown, MD 20878 on Saturday, September 26, 2015. The theme for his year is, “Connections” and program for the day will include workshops and a worship service. More details and a registration form will be coming out soon.

FALL PW ACTIVITIES AT WARNER: “MUM’s the word...”

After much discussion among the members of The PW Coordinating Team, we have decided to forego planning a PW Retreat for the Fall and instead have identified what we hope will be a fun group activity – an evening out supporting yet another local ministry, MUM. There will be a fundraising gala in Silver Spring on Saturday, October 17th. More information will be forthcoming, but we have on good authority that this is a great event for a most worthy cause – helping to feed those in need right here in our own backyard.

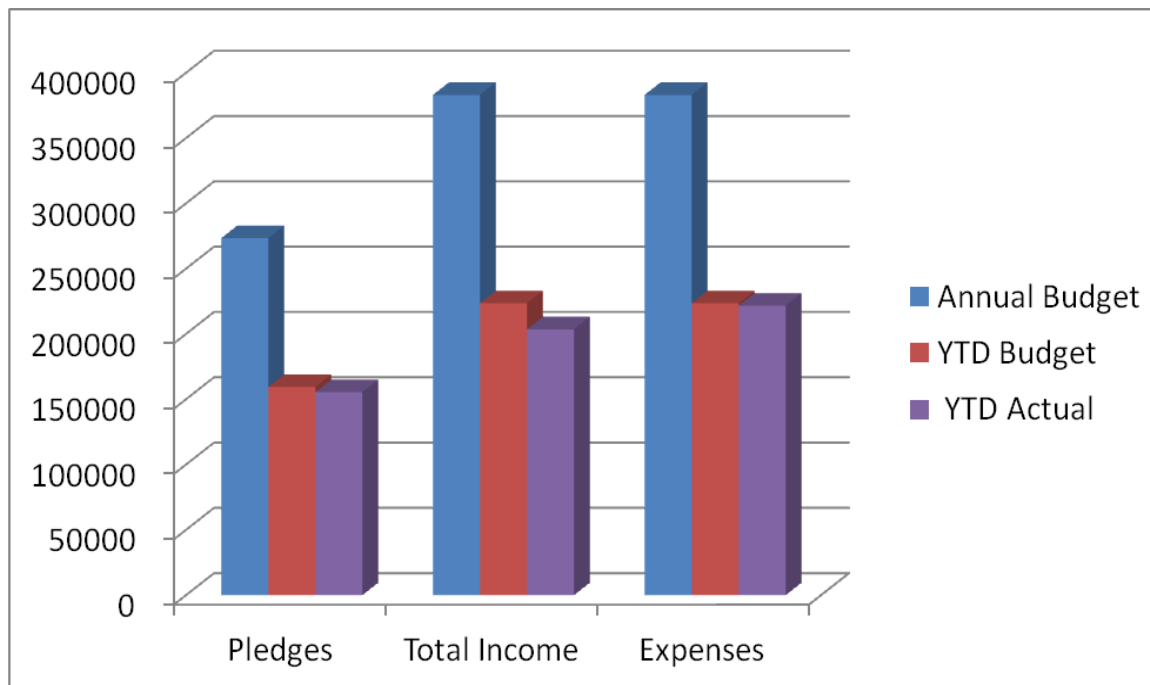

REFLECTIONS CIRCLE BEING REVIVED

Lora McGlade is planning to revitalize the Sunday Morning PW Bible Study. The first meeting will be held Sunday, October 11th at 9:30 a.m., location at Warner to be announced. The group will be following the 2015-2016 Horizons Bible study, “**Come to the Waters**”. We are very excited to be able to provide this option once again, especially since both Circles will be using the same materials. We will provide more information in the September Memo but wanted to share this, “Hot off the presses” information.
